

SOMETHING DIFFERENT IS POSSIBLE

Awaken, can we not see?

That the flowers are in bloom

Before God's loving eyes

The God of the poor

Can we not see?

CAN WE NOT SEE?

THAT SOMETHING DIFFERENT'S POSSIBLE

THAT LOVE CAN SURELY SAVE,

THAT TRUE FIDELITY

CAN LAST FOREVER AND EVER

Awaken, can we not see

There are many outstretched hands

So many desperate needs,

So many battles won,

Can you not see?

Be glad, my friend, we can believe

In the beauty of life shared,

In the joy that overflows,

That grows stronger with each day.

We can believe

CAN WE NOT SEE?

THAT SOMETHING DIFFERENT'S POSSIBLE

THAT LOVE CAN SURELY SAVE,

THAT TRUE FIDELITY

CAN LAST FOREVER AND EVER

Be glad, my friend,

We can believe,

That this life's one great adventure,

It's a Call that will mature

As we follow our great guide, Sweet Maria!

Courage my friend, can you not see,

From the dust the Lord lifts up

What the world cruelly rejects?

How many live in hope?

Can you not see?

WE MUST BELIEVE

THAT SOMETHING DIFFERENT'S POSSIBLE

THAT LOVE CAN SURELY SAVE,

THAT TRUE FIDELITY

CAN LAST FOREVER AND EVER.

Courage my friend, can you not see?

The heart can be free

When we dream the impossible

And we give it all our all

Can you not see?
